2.6.14

To whom this may concern,

This is a letter of recommendation for Angela Eibach. Angela joined our team in the summer of 2013 as a summer camp counselor for our 4th through 8th grade group. Angela has been a huge aspect to our program during her time spent with us. At the end of the summer, she is the one staff we looked forward to having back every summer from here on out.

She was extremely dependable in attendance and helping out when needed to come in earlier or stay later.

Another great aspect of Angela as an employee is her ability to work as a team member and ability to interact with parents easily. Angela was able to collaborate with any of the teachers to come up with projects, activities, and ideas to keep the children engaged and learning each day.

She has a high level of positive energy that brightens up the classroom!

I highly recommend Angela Eibach for any position working with children for her future.

If you have any other questions, please feel free to contact me.

Thank you,
