

St. John Vianney REGIONAL SCHOOL

In faith – celebrating today, embracing tomorrow.

March 2015

To Whom It May Concern:

It is a pleasure to write a letter of support for Miss Angela Eibach, a fifth grade Reading and Language Arts teacher for the past two years at St. John Vianney Regional School in Allentown.

Miss Eibach has developed a positive student/teacher relationship that engages her students in their learning environment while developing and promoting the values of accountability of work ethic.

Miss Eibach's first year to present shows growth in her classroom management skills and her ability to differentiate instruction to meet all levels of learners. She is tenacious in her desire to provide for all her students whether it be the strategic learner or the enriched. She incorporates technology daily and effectively uses all the resources available.

This year, Miss Eibach has reached out to be part of the school community by taking a leadership role in after-school functions that require a commitment of her personal time. In addition, she is flexible and makes herself available to meet with teachers and/or parents in supporting the promotion of education.

It is my belief that Miss Eibach will continue to make a positive educational influence in your school as she did in ours. As she grows in her teaching experience, she will be an exceptional educator.

Sincerely,

A handwritten signature in cursive script that reads "Mrs. Robin Fredericks".

Mrs. Robin Fredericks, Principal
